

When your organization sponsors the 2019 Meals on Wheels Walkathon, you support the independence and health of elders in our community.

The Meals on Wheels program is underfunded and LifePath seeks to close the \$150,000 funding gap with the generosity of organizations and individuals through the 2019 Meals on Wheels Walkathon.

What is Meals on Wheels?

Home delivery of a hot noon-time meal with a friendly well-being check-in 5 days per week for homebound elders, with the option to request frozen meals for weekends.
