

2018-2019 Fiscal Year

Dear Friend of the Rainbow Elders,

Thanks to support from our community, LifePath's Rainbow Elders group is stronger than ever. Following a successful year of bringing local LGBTIQA* elders together, members of the steering committee are diligently planning events and education for 2018/2019, creating more opportunities for a network of support and belonging.

Help us to continue to create spaces and programming that offer elders what they need to thrive by renewing your support as a ***Friend of Rainbow Elders today***. When you give in support of LifePath's Rainbow Elders program, you:

- **nourish vibrant, safe communities** of LGBTIQA elders plus their straight and younger allies through the regular events we host;
- **provide vital education** to senior centers, retirement communities, and other agencies regarding the elder LGBTIQA experience and needs; and
- **advocate** for the rights of LGBTIQA elders.

Four times a year, Rainbow Elders holds social events that include an annual winter breakfast, an intergenerational dinner in April, a July picnic and an educational forum in October. Past programs have dealt with legal and financial issues, housing, transportation and diversity of sexual expression. Those who attend our events may even begin to enhance their support structures as a result.

Should you wish to support the program and the people who benefit, please use the enclosed form to make your commitment or visit LifePathMA.org, click the "donate" button and type *Friend of Rainbow Elders* in the box provided.

For more information or to request our e-newsletter visit lifepathma.org/rainbowelders or send an email message to rainbowelders@lifepathma.org. Programming begins in September with a luncheon at the South County Senior Center.

Thank you for supporting this diverse and inclusive community!

Sincerely,

A handwritten signature in cursive script that reads "Barbara Bodzin".
