LifePath Marches with Pride

The LifePath Community marched in the Franklin County Pride Parade and Rally on Saturday, June 15, to celebrate the LGBTQIA+ community. This was our largest-ever showing of folks at a Pride parade. Thanks to all who participated in making this an amazing day!

Massachusetts Department of Agricultural Resources, designed to help older adults get fresh fruits and vegetables and to help local farmers sell more produce. In order to be eligible for the coupon booklet, you must be at least 60 years old and reside in Franklin County or the North Quabbin area, and earn \$2,322 per month or less as an individual, or \$3,152 per month or less as a couple. For each additional family member, please add \$830 per month to the income limit. You will need to sign your name to attest that you meet the criteria to receive a coupon booklet. You do not need to attend a senior center or participate in any other programs to be eligible.

Please note that no cash can be given as change, so you may want to bring small bills and coins so you can pay the difference instead of using only part of the value of an additional coupon. Coupons will only be accepted by participating farmers at farmer's markets or farm stands in Massachusetts. Each person receiving a booklet will also be given a list of the markets that are in the program. Please check with each vendor to find out if they accept the coupons. The coupons do not expire until October 31, 2024. Each person can only receive one coupon booklet per year. You can use your coupons to buy fruits, vegetables, fresh-cut herbs, and honey.
