

“Doing My Own Walkathon” Info Sheet and Registration Form

Thank you for planning to participate in LifePath’s 33rd Annual Walkathon fundraiser by holding your own Walkathon event in your local town or neighborhood. We recognize that with peoples busy schedules that it can sometimes by difficult to participate. This is a new direction for us this year and want to make sure that everyone is able to participate. This way, no matter where you live, you can always be a part of supporting our critical efforts in the community.

This concept is designed to be fun, super convenient, and provide a wonderful opportunity to get together with friends, family, and neighbors in support of a great cause. Your efforts help to secure valuable donations in support of underfunded programs, that offer options for independence for local older adults, individuals with disabilities, and caregivers here in Franklin County, the North Quabbin Region and beyond, here in Western Massachusetts.

As you engage with your community, family and friends, please share that funds raised through your event goes to support critically needed programs and services including Meals on Wheels, In-Home Care Services, Benefits Counseling, Protective Services, SHINE, Money Management, and others programs that LifePath provides.
